
Language files: English, Chinese, Spanish, Danish

Posted by Jooglar - 2008/05/07 14:28

Hi,

As you can see, the language files that the component includes by default are Spanish and English. Due to the work of many people I can see that new languages are being translated,

Thank you all!

Every new language file I find, I'll publish here.

Chinese:

http://joomlancode.org/gf/download/user/55057/26026/Virtual_Newspaper_Manager_simplified_chinese_language.zip

or

<http://jooglar.com/images/fbfiles/files/chinese.zip>
